

# MainTech

Maintenance Software that solves human problems.

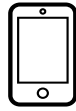

## How Does MainTech Benefit Me?

MainTech moves your business to the next level so you can focus on what is really important.

	SPREADSHEETS & MANUAL METHODS	MAINTTECH
<b>ACCESS</b>	Held by one person, on one PC. Difficult to share & format issues across software versions	Multiple roles and responsibilities accessed via cellphone & any computer. Platform agnostic.
<b>SHAREABILITY</b>	Not practical to share whole spreadsheet of issues with one contractor.	Can share different parts of issues with multiple roles on same job. (Managers, Contractors, Operations)
<b>OVERSIGHT</b>	Senior managers have no insight into progress or status on activities.	Track every step from reporting, quoting, repairs and confirmation from anywhere. Even on a cellphone. Full oversight of activities & progress on any issue.
<b>PREDICTION</b>	Difficult to spot trends without a data analysis background.	Automatically highlight trends for frequency & cost discrepancies.
<b>AUDIT TRAIL</b>	Difficult to trace & prove. No accountability.	Full audit trail for each phase of repair.
<b>ALERTS</b>	None, or dependent on manager.	Notification of new, late & over budget issues.
<b>BACKUP</b>	Usually none.	Backed by Google world class hosting infrastructure.

## Features
